Medical Device Fellow, Center for Devices and
Radiological Health,
U.S. Food and Drug Administration

Owen Faris

Director, Clinical Trials Program
Center for Devices and Radiological Health, U.S.
Food and Drug Administration

Rachael Fleurence

Executive Director, National Evaluation System
for health Technology Coordinating Center,
Medical Device Innovation Consortium

Phillip Goodney

Vice Chair for Research in Surgery,
Co-Director, VA Outcomes Group,
Dartmouth-Hitchcock Medical Center, White
River Junction VA Medical Center

Sarah Gross

Consultant, Deloitte Consulting, LLP

Tom Gross

Director of the Office of Surveillance And Biometrics, Center for Devices and Radiological Health, U.S. Food and Drug Administration

Adrian Hernandez

Director, Health Services Outcomes Research, Duke Clinical Research Institute

John Hernandez

Head of Health Economics, Value and Access, Verily

Sarah Horn

Sr. Manager Data Science – Provider Data Networks, Medtronic

Yuzhi (Alex) Hu

Epidemiology Reviewer, Division of Epidemiology, Center for Devices and Radiological Health, U.S. Food and Drug Administration

Darrell Johnson

Vice President, Data Science Business Solutions, Medtronic

Chandan Karnik

Partner, Deloitte Consulting, LLP

Mitch Krucoff

Professor of Medicine/Cardiology
Duke University Medical Center, Duke Clinical Research Institute

Patrick Littlefield

Executive Director, VA Center for Innovation, U.S. Department of Veterans Affairs

Steve Luxenberg

Associated Director for Health Informatics, Center for Devices and Radiological Health, U.S. Food and Drug Administration

Danica Marinac-Dabic

Director, Division of Epidemiology, Office of Surveillance and Biometrics, Center for Devices and Radiological Health, U.S. Food and Drug Administration

Anna McCollister-Slipp

Chief Advocate for Participatory Research, Scripps Translational Science Institute

Matt McMahon

Director, NHLBI Office of Translation Alliances and Coordination, National Institute of Health

Bill Murray

President and Chief Executive Officer, Medical Device Innovation Consortium

James O'Leary

Chief Innovation Officer, Genetic Alliance

Gregory Pappas

Associate Director, National Device Evaluation, Center for Devices and Radiological Health, U.S. Food and Drug Administration

Richard Platt

Principal Investigator, FDA Sentinel System
Harvard Pilgrim Health Care Institute and Harvard Medical School

Terrie Reed

FDA Senior Advisor for UDI Adoption, U.S. Food and Drug Administration

Wendy Sanhai

Specialist Leader, Deloitte Consulting, LLP

Art Sedrakyan

Professor of Healthcare Policy and Research in Cardiothoracic Surgery, Weill Cornell Medical College
Director, Science and Infrastructure Center, MDEpiNet

Parini Shah

Senior Consultant, Deloitte Consulting, LLP

Jeff Shuren

Director, Center for Devices and Radiological Health, U.S. Food and Drug Administration

Scott Smith

Director, Health Care Quality and Outcome Division, Office of Health Policy, Office of the Assistant Secretary for Planning and Evaluation, HHS

Erika Tang

Epidemiologist, Center for Devices and Radiological Health, U.S. Food and Drug Administration

Jimmy Tcheng

Professor of Medicine, Professor of Community and Family Medicine (Informatics), Duke Clinical Research Institute, Duke Center for Health Informatics

Karen Ulisney

Policy Analyst, Clinical Trials Program, Office of Device Evaluation, Center for Devices and Radiological Health, U.S. Food and Drug Administration

Rayneisha Watson

Senior Manager, Deloitte Consulting, LLP

Larry Wood

Corporate Vice President, Transcatheter Heart Valves, Edwards Lifesciences

Joseph Singer

Chief Medical Officer, HealthCore, Inc., Anthem, Inc.

Duke-Robert J. Margolis, MD, Center for Health Policy

Gregory Daniel

Deputy Director, Duke-Robert J. Margolis, MD, Center for Health Policy
Clinical Professor, Fuqua School of Business, Duke University

Heather Colvin

Project Director, Duke-Robert J. Margolis, MD, Center for Health Policy

Christina Silcox

Research Associate, Duke-Robert J. Margolis, MD, Center for Health Policy

Isha Sharma

Senior Research Assistant, Duke-Robert J. Margolis, MD, Center for Health Policy
